(b) if so, whether a sum of Rs. 700 is charged from the passengers in the name of providing them certain facilities free of cost inside the airport;

(c) if so, whether the passengers are still made to pay additional money at the time of availling of these facilities;

(d) if so, the reasons therefor and also the reasons for seepage of rain water from the roof of the Departure Hall of the said airport; and

(e) the steps taken by Government to do away with such mismanagement?

THE MINISTER OF STATE IN THE MINISTRY OF CIVIL AVIATION (SHRI SHRIPAD YESSO NAIK): (a) and (b) It has always been Airports Authority of India's (AAI) constant endeavour to provide good management at Indira Gandhi International Airport. AAI charges Rs. 200/- as Passengers Service Fee from Domestic and International Departing passengers for meeting the expenditure on both facilitation and security arrangements at the airports.

(c) No, Sir.

(d) The seepage at times from the roof of departure hall at Terminal-ll is due to the age of the building. However, repair works are carried out to rectify the faults.

(e) A number of steps are being taken for bringing in further improvements at IGI Airport, including modification in the locations of the custom counters and other facilities which would increase the arrival handling capacity from 1200 peak hour passengers to 1600 peak hour passegers. Moreover, the Government has decided to upgrade the airport infrastructure, facilities and services to world class standard through private sector participation.
